## Resumé

Hi, I'm Nadia Anjum!
I'm a passionate web developer with a solid background in
multimedia design.
I particularly enjoy combining design and programming to create
intuitive, user-friendly digital solutions that make a difference.

Known for being calm, positive, and goal-oriented, I excel at solving
complex problems while maintaining a clear focus under pressure.
Whether collaborating in a team or working independently, I am
committed to delivering high-quality results and continuously growing
as a developer.
